

## Bringing the Compassion of Christ Through A Haven of Hope

The Bedford Pregnancy Center opened on January 20th, 2005, as the result of a combined effort by Bedford area Christians who were concerned about women in unplanned pregnancy situations. We are not affiliated with any one denomination, congregation, or any political organization. We are financed completely by private donations. All donations are tax deductible.

A dedicated and competent team of staff members and trained volunteers reach out with compassion and unconditional acceptance and provide emotional and practical assistance. The BPC provides accurate and essential information regarding the physical, emotional, and spiritual consequences of abortion while encouraging exploration of other options.

### Our Mission

The evangelical outreach of the Bedford Pregnancy Center cares for women in pregnancy-related situations by meeting their physical, emotional, and spiritual needs, empowering them to choose life.

### Making an Appointment

You may schedule your appointment during normal office hours in person or by calling 540.587.5900. In the event that you are unable to keep your appointment, please contact the Center to cancel or reschedule the appointment as soon as possible.
